Selamat Datang WELCOME

Langkawi comprises a group of 99 tropical islands lying off the northwestern coast of Peninsular Malaysia, about 30 km from Kuala Perlis and 51 km from Kuala Kedah on the mainland. The main island is known as Pulau Langkawi. The islands are shrouded with an intriguing heritage of myths and legends, which feature ogres and gigantic birds, warriors and fairy princesses, battles and romance.

As a natural paradise, the islands are perhaps unmatched anywhere else in Southeast Asia. Fine beaches offer sun-filled days of complete relaxation. The clear emerald waters around the islands are perfect for a host of watersports and recreational activities. The enchanting marine life beneath the waters of Langkawi beckon diving enthusiasts.

Langkawi has been accorded the Geopark status by UNESCO, for its beautiful geoheritage features, consisting of stunning landscapes, karsts, caves, sea-arches, stacks, glacial dropstones and fossils. With a geological history dating back 500-million odd years, the islands contain unique rock formations that stir the imagination and baffle the mind.

Langkawi is perfect for doing everything or nothing at all. Enjoy nature-based activities, or simply laze by the beach. There is also a host of unique attractions for those who enjoy sightseeing. The gentle smiles and warm hospitality will soon charm you. Come to Langkawi for a holiday unlike any other.

Your First Stop - Kuah

Kuah is located on the south-eastern tip of Langkawi and is the island's main town with Kuah Jetty being the take-off point to the neighbouring islands. The name Kuah is a Malay word meaning 'gravy' and is associated with an ancient legend of two battling giants who overturned a gigantic pot of curry at the spot where the town now stands.

Once a rustic town with a few streets, present day Kuah is a thriving centre of hotels and shopping-cum-business complexes, fortunately without the bustle of modern-day cities. Kuah offers a wide variety of duty-free goods such as tobacco, liquor, cosmetics and electrical items at attractive prices.

EAGLE SQUARE or Dataran Lang is Langkawi's most prominent landmark for visitors arriving by sea. Situated near the Kuah Jetty, the main attraction of the square is the magnificent statue of the reddish brown eagle majestically poised for flight. According to local folklore, Langkawi derived its name from the eagle or *helang*. In old Malay, *kawi* denotes reddish brown, hence Langkawi means 'reddish brown eagle'.

The square is beautifully landscaped and features scenic ponds, bridges, covered terraces, restaurants and barrel vaults made of bricks. The square is beautifully illuminated at night and presents a dramatic scene as you approach the island by sea.

LAKE OF THE PREGNANT MAIDEN

or Tasik Dayang Bunting, with its uniquely coined name, is sure to enthrall you with its beautiful surroundings and mysterious past. The name of this largest freshwater lake in Langkawi is attributed to the legend of a lovely fairy princess who married an earthly prince. Her first child died shortly after birth. She was so sad and depressed that she buried the child in the crystal clear waters of the lake. Before she returned to her celestial abode, she

blessed the waters so that any childless maiden who bathed in the lake would conceive thereafter. To reach the lake one has to get to the Island of the Pregnant Maiden first and then take a short walk through the forest reserve.

SOUTHEAST ASIA'S FIRST GEOPARK

Langkawi, which has the distinction of being the first geopark in Malaysia and the region, has many geosites that offer outstanding sights for visitors. There are three geoforest parks in Langkawi - the Machinchang Cam- brian is reputed to be the

oldest geological formation in the country. At the Kilim Karst, one can view magnificently formed landscapes of nearly verticle to subrounded karstic hills as well as pinnacles of various shapes and sizes. The Dayang Bunting Marble Geoforest Park boasts fine marbles.

SUNGAI KILIM offers some truly unforgettable sights and experiences for adventurous travellers to Langkawi. A tour that is bound to provide plenty of thrills is the boat cruise to Kilim Nature Park, an escapade to another world. Spread over an area of 100 square metres, Kilim Nature Park features a beautiful mix of well-protected green mangrove forests, isolated white beaches and blue lagoons. On the trail, along the calm winding river, you will be exposed to the wonders of the park's marine ecosystem and flora and fauna like the overhanging Bogak Trees, Brown Eagles, Tree Crabs, iguanas and macaques. Enjoy the scenic and spectacular view of unique limestone rock formations emerging from the floor of the mangrove swamps and the sea. These fascinating geological wonders

have been dubbed the Temple of Borobodur, the Elephant Stone and the Hanging Gardens. Be a part of the eagle feeding experience as these predators wait silently to swoop down on the feed thrown into the water by the boatmen.

THE HOLE IN THE WALL FISH FARM is a 10-minute boat ride from the Kilim river jetty. Try your hand at feeding the tame stingrays at the fish farm. Located in the Kilim mangrove area, which covers about 1,309 hectares, the stingrays are fed half a kg of fish daily.

LANGKAWI NATURE PARK is home to many monkeys, crocodiles and other animals. The park pond is crystal clear, peacock stone galleys and a shop at the entrance are located here.

SEVEN WELLS or Telaga Tujuh, located in the north-western corner of Langkawi, is a geological marvel. The waterfall is so named because the cascading waters are broken by a series of seven natural pools. The lush green forest that surrounds the waterfall adds a mystical touch to the natural splendour. Legend has it that fairies used to come down to the waterfall to bathe and frolic.

DURIAN PERANGIN WATERFALLS is suitable for picnics, a relaxing dip and recreation. This 14-tier waterfall, north from Kuah, is truly a sight to behold and is accessible after a short trek through the rainforest.

CAVES in Langkawi worth exploring are Gua Cerita which is easily accessible and only 30 minutes by boat from Tanjung Rhu. Inside are interesting rock formations steeped in fabled tales of mystery and romance. Look out for ancient inscriptions on

the walls. Another interesting cave is Gua Kelawar nestled in the heart of a mangrove. A wooden platform allows visitors easy access through the cave. Gua Pasir Dagang, about 45 minutes by boat from Kuah has a shallow stream running right through the cave. The boat journey to the cave itself is an adventure of sorts. Guides can be engaged for cave expeditions.

Shopping & Dining

Langkawi is an ideal destination to do some shopping as it offers an attractive range of duty-free goods. Most of the island's shopping establishments can be found in and around Kuah. A good place to start one's shopping spree is the modern Langkawi Mall, Langkawi Fair Shopping Complex and Jetty Point Duty Free Complex offering a wide selection of items such as perfumes, cosmetics, leather wear, sports gear, ladies' accessories, confectionery, liquor and cigarettes. The Langkawi International Fashion Zone (LIFZ) at the Oriental Village offers a one-stop shopping experience for brand-conscious visitors. Browse through a range of chic apparels and accessories from leading designer labels.

Those who want a taste of shopping - local style, should head to the bazaars in the main town as well as Cenang and Black Sand Beach. Here, visitors can mingle with the jostling crowd and join in the excitement of haggling. Pick out a dainty batik outfit or select a fancy handicraft piece for your loved ones. Remember to sample the delicious local spread on sale

before heading elsewhere.

Visitors to the Langkawi Underwater World and Langkawi Cable Car may also get their hands on some great buys such as pewter, crystals and glassware at the shopping outlets located in the vicinity. Visitors are allowed to bring back to the mainland one bottle of liquor and one carton of cigarettes after staying at least 48 hours on the island. Credit cards are accepted at most outlets in Kuah.

The island is reputed for its delicious fresh seafood including scrumptious local, Chinese, Indian, Thai, Japanese, Continental, Middle Eastern and other international cuisine. From the spicy to the sweet and sour, Langkawi has it all. Dine by the beach at clean open-air eateries surrounded by swaying palms and the cool breeze. For a unique dining experience, walk down a dimly lit wooden walkway through a mangrove swamp and arrive at an exquisite restaurant.

Accommodation

Langkawi offers a wide range of accommodation to suit every budget and taste. Modern deluxe hotels and resorts provide complete facilities for a comfortable stay, including excellent dining and recreation. Pamper yourself and indulge in the latest hotel spa treatments or tee off at a championship 18-

hole golf course. For those who prefer a touch of rustic ambience, chalets are available. For the budget conscious, there are smaller hotels available at reasonable rates. Backpackers can look to Cenang Beach for bed & breakfast inns.
